

Customer Name:

Customer Email:

Customer Phone Number:

Customer Return Shipping Address:

Firearm Serial Number:

Step 1: Box Parts and Firearm Together. (No FFL is needed since you are shipping back directly to the factory for repair/installation service.)

Step 2: Include Completed M*CARBO Parts Installation Form

Step 3: Ship via UPS or FEDEX with insurance directly to the following address:

Attn: Sean Turpin
KEL-TEC CNC INDUSTRIES INC.
1505 Cox Road
Cocoa, FL 32926

Step 4: Allow 5-10 business days for service to be completed

Step 5: Include copy of M*CARBO receipt or list of M*CARBO Parts to be installed:

We are happy to install M*CARBO Parts for a flat rate \$40.00 labor charge. It would be preferred if customers sent the parts in with the weapon together at the same time. I will be the point of contact for any customers that want to reach out to us. The wait time does vary, it is typically set at 1-2 weeks but that may change over time. As long as Kel-Tec performs the work the warranty will not be void.

Sean Turpin
